

Sprayberry High School Band of Gold Sponsorship Form

For Year:

Purpose of the Sponsorship Program: to obtain funding from sources within the local community to enable the band, color guard, and drum line to participate in events and to further their skills while building values such as teamwork and camaraderie. The Cobb County School District provides only a fraction of the necessary resources for these organizations to participate in the number of events and at these advanced levels.

Sponsorship Levels and Benefits: four levels of sponsorship allows for various amounts of visibility according to each sponsor's commitment. The visibility ensures that the sponsor's name is presented to the community so that they can show their appreciation by supporting the sponsor's business.
